Hello,

This will be presented in February 2024. Unfortunately, it is too late to add to January.

Good Morning.

I was wondering when this was going to BOE. I want to be prepared to support any technical questions. I think this is the a great step in the right direction.

Thanks.

Good morning Natalie,

Great! Thank you. Once Dr. Walker gets BOE approval, we will keep you all updated with Primero Edge next steps.

Regards,
Charlene

Hi Charlene,

Sorry for the delay. The team has reviewed all documentation and has confirmed that all IT questions have been answered. Therefore, DIIIT is giving its endorsement from the technical perspective for migrating PrimeroEdge to the cloud. Thank you
