RE: Educational Facility Site Notification - New Sequoyah Middle and High School Facility

To Whom It May Concern,

The DeKalb County School District (DCSD) is requesting site approval from the Georgia Department of Education for the New Sequoyah Middle and High School Facility to be located at 3456 Aztec Road, Doraville, GA 30340.

Per the Georgia Department of Education's Guideline for Educational Facility Site Selection, "an evaluation of site accessibility and flow of traffic will need to be performed to determine any road improvements that must be incorporated in the site development." This letter shall serve as official notification and request by the DCSD to the Georgia Department of Transportation that an evaluation of the existing roadways for the New Sequoyah Middle and High School Facility site be performed.

Please contact me should you have any questions regarding this request.

Sincerely,

DeKalb County School District

Hans G. Williams
