

CONSIDERATIONS

- Complicated phasing addition
- Requires 10 portables throughout construction, 20 during 1st phase
- Reduced parking capacity during construction
- Play field remote from building
- Media Center and skills labs central to building
- Grading challenges at front drive
- Parking adjacent to large afterhours use space
- Large, centrally located multi-level flex space
- Temporary Admin and Media required for phase 2
- Small administration suite located on each floor
- Service/deliveries utilize bus loop
- Pushes 20' into no-build zone, may require variance
