1. **Protests.** A bidder may file a written protest challenging DCSD’s compliance with applicable procurement procedures subject to the bidder’s compliance with the provisions outlined below. Any such written protest will be resolved in accordance with these provisions:
 - a) appropriate identification of the solicitation;
 - b) a statement of reasons for the protest;
 - c) supporting exhibits, evidence, or documents to substantiate any claims unless not available within the filing time (in which case the Offeror must proceed to file the protest during the filing period identified below but state the expected availability of the material); and the desired remedy.
2. **Types of Challenges.** Any bidder interested in and capable of responding to a competitive solicitation may file a protest with respect to the competitive solicitation process including, but not limited to, a challenge to specifications or any events or facts arising during the solicitation process. Any bidder submitting a timely bid/proposal in response to a competitive solicitation may file a protest with respect to DCSD’s intended or actual contract award including, but not limited to, events or facts arising during the evaluation and/or negotiation process.
3. **Form of Protest.** At a minimum, the written protest must include the following:
 - a) the name and address of the protestor;
 - b) appropriate identification of the solicitation;

MAIL: Attention: Carla Smith, Executive Director
DeKalb County School District
Vendor Services
1701 Mountain Industrial Boulevard

	In the event DCSD does not post a NOIA, the protest must be filed within ten (10) calendar days of the date the Notice of Award ("NOA") is posted.

If a bidder fails to file a protest by the applicable deadline, such failure shall be deemed as a waiver with prejudice of any grounds the bidder may have for protest.

5. Stay of procurement during protest review.

When a protest challenging the competitive solicitation process has been timely filed at least two (2) business days prior to the closing date and time, the solicitation shall not close until a final decision resolving the protest has been issued, unless the facilities management department makes a written determination that the closing of the solicitation without delay is necessary to protect the interests of DCSD.

If it is determined that it is necessary to proceed with contract performance without delay, the bidder/Offeror with this contingent contract may proceed with performance and receive payment for work performed in strict accordance with the terms of the contract. The provisions of this paragraph are not applicable to a protest pertaining to events or facts arising during the solicitation process.

6. Protest Resolution.

The Vendor Services Department shall review and issue a written decision on the protest within seven (7) business days. This decision shall be deemed final. Available remedies for sustained protests are as follows:

PART III

SCOPE OF WORK

A. Purpose/Project Overview

DCSD is seeking proposals for a **Disaster Recovery as a Service (DRaaS)** solution and to implement the DRaaS solution proposed. This Request for Proposals (RFP) documents DCSD's Disaster Recovery objectives and expectations and their solution, support, and pricing requirements in accordance with the scope of work of this RFP.

The DeKalb County School District serves over 92,000 students in Pre-Kindergarten through Grade 12. The breakdown of DCSD sites is as follows:

- 77 Elementary Schools
- 19 Middle Schools
- 22 High Schools
- 12 Specialized Learning Centers
- 4 Administrative Centers
- 5 Athletic Stadiums

The DCSD Data Center is in the William Bradley Bryant Center for Technology in Decatur, GA, one of the district's three Wide Area Network (WAN) core sites. Additional servers are at the other two core sites.

As our data center is in the Greater Atlanta Area, it is critical that the chosen offerors hosting site is NOT located in any of the southeastern states but is in the continental United States.

Awarded offeror shall provide equipment and services in accordance with the scope of work, requirements and terms and conditions stated herein. Services shall include all labor, materials, tools, specialized equipment, supplies, trained personnel, insurance, travel, per diem, direct and indirect administrative costs, overhead, tolls, parking, fuel, lodging, all other cost and charges, and all things and services necessary and in accordance with the requirements of this RFP. There shall be no add-on charges of any kind.

DCSD, at its discretion, determines the criteria and process whereby proposals are evaluated and awarded. No damages shall be recoverable by any challenger as a result of these determinations or decisions by DCSD.

DCSD reserves the right to add or remove DCSD facilities (schools, centers and portable classrooms) as needed.

DCSD reserves the right to make multiple awards and will be responsible for administration of this contract.

B. Project Scope of Work

The scope of this RFP is to encompass a DRaaS environment that includes:

1. DCSD access, as needed, to the DRaaS site (This would be used for facility inspection and audit requirements).
2. Cloud data storage and replication.
3. DCSD's ability to remotely configure and monitor assigned environments.
4. The requisite tools and support required to configure and monitor the environment. NOTE: DCSD is a VMWare shop and will be looking for DRaaS models that utilize the VMWare toolset. There are other standalone servers that will also need to be included with a cloud-based Disaster Recovery (DR) solution.
5. Pricing models and details that show basic charges for connectivity, tools, storage, processing, etc.
6. All backed up data is encrypted and in transit and at rest.
7. Perform up to four failover tests per year.
8. Must have a dedicated team to work with DCSD for support activities (or dedicated support).
9. Develop DR declaration run books to be used for daily operations, emergencies, and failover testing.

This RFP makes no attempt to dictate what the offeror infrastructure configuration should be to meet DCSD requirements. The expectation is that the bidding offerors will propose adequate solutions and options to DCSD, and the chosen offeror will include a discovery phase in their project plan to determine suitable configurations at the hosted site.

C. Minimum Requirements

This section documents DCSD's minimum requirements and expectations for a DRaaS solution. Please consider and provide detailed responses to all questions, requirements, and statements.

In addition, please complete the Security Questionnaire in Attachment K and include it with your response.
