

BOARD POLICY
Names on Building Plaques

Descriptor Term: FHCA
Date: XXXXXX XX, 2024

The Bibb County Board of Education ("Board") recognizes the need to standardize the information provided for in the dedication plaques that are installed following construction of a new school or facility, school consolidations, or the re-purposing of a school or facility.

All major building projects will be identified by suitable plaques. The plaque will identify the project, the year the project is completed, the name of the Superintendent, the architectural firm associated with the project, the construction company associated with the project, and the names of all Board members serving on the Board when the project was approved. The names of the Board members serving at the time the project is completed will also be included on the plaque.

The Superintendent or his or her designee is authorized to develop and implement a regulation outlining the guidelines for the creation and maintenance of dedication plaques.
