Email Subject: AFY23 School Security Grant -allocation list for DeKalb County/City

GaDOE is pleased to provide additional information regarding the \$115.7 million in funding available for school security needs and enhancements included in the amended FY 2023 (AFY23) budget. Each district has been awarded \$50,000 for each school identified and appropriated in the budget by the legislature to address security needs and enhancements.

Attached you will find an FAQ document that should answer most of your questions. Some highlights from that document are:

1. You must have a budget approved in the consolidated application before you can request funds (you can start that process now)
2. Funds cannot be requested for reimbursement until July 1, 2023
3. Qualifying invoices must be dated March 10, 2023 or later
4. You have a year to spend the funds. Funds expire June 30, 2024, but systems must submit their request in the GaDOE portal no later than March 1, 2024
5. Funds can only be used at the schools on the allocation list (below) created by the legislature
6. Funds are not transferable
7. These grants are provided as reimbursements – districts must make the initial purchase, and then apply for reimbursement through the standard process

Below is the list of schools your system received funding for (\$50k per school):

*\*Some school systems have GNETS that fall under them and will be responsible for submitting everything on their behalf, if you do you*
