

BOARD POLICY
Administrative Consultants

Descriptor Term: CJ
Date: XXXXXX XX, 2024

The Bibb County Board of Education ("Board") allows for the use of consultants as a means of providing the Bibb County School District ("District") and its employees with invaluable specialized services not normally required on a continuing basis.

Sufficient funds will be made available to attract qualified professionals in their respective fields. Individuals providing consulting services will be independent contractors and not District employees. Further, all consultants providing services to the District must be in good standing with the appropriate licensing agencies.

The use of consultants from outside the District who promote a particular commercial product is discouraged. When such consultants are used, it will be made clear to the consultant that they are to perform as consultants and not as salespeople.
