

CHRONOLOGY OF THE AGENDA ITEM

The Operations Division was approached for an easement request from Georgia Power at the Mary Mcleod Bethune Middle School Site off Covington Highway. This project aims to secure the electric transmission and distribution lines and communication lines that service Bethune, MS. Removing trees or other obstructions in the area will help ensure equipment and services.

The Board of Education is requested to approve the easement to Georgia Power to secure equipment and distribution lines at the Mary Mcleod Bethune Middle School site.
