

CHRONOLOGY OF THE AGENDA ITEM

At its business meeting on Monday, October 7, 2019, the Board of Education approved the award of RFP 20-472 for Charter Bus Services to thirteen (13) of the fourteen (14) companies who were deemed responsive and responsible to the requirements of the solicitation.

As part of the Pre-Award process, the District Fleet and Transportation Department on August 26-28, 2019, conducted an on-site inspection of the responsive proposer's facilities and the on-site inspections resulted in We Care Charters not being recommended to provide Charter Bus Services for DeKalb County School District.

The District Fleet and Transportation conducted a second on-site inspection of the We Care Charters facilities on Date and determined that their vehicles passed inspection.

This recommendation is based on the submittal of a responsive proposal and passing the on-site inspection. We Care Charters will be added to the previously approved list of companies to be responsible for Charter Bus Services as set forth in the RFP documents.

It is requested that the Board of Education approve the contract extension for **RFP 20-472, Charter Bus Services to Allstate Tours, American Coach Lines, Coast to Coast Tours, LLC, Friendship Tours, LLC, Harmon Brothers, Kelly Tours, Inc., Kingsmen Coach Lines, R&W Motorcoach, Inc., Samson Tours, Inc., Southeastern Stages, Inc., and We Care Charters** for one additional year through December 31, 2024. This recommendation is the fourth (4) of four (4) one-year contract renewal options.

This award will continue to allow the DCSD to obtain assistance from commercial carriers to provide supplemental transportation services in support of district-wide field trips, athletic events, and other activities when transport requires travel outside of the 75-mile radius limitation of the DCSD Transportation Department.
