

BOARD POLICY
Student Transportation Management

Descriptor Term: ED
Date: XXXXXX XX, 2024

It is the policy of the Bibb County Board of Education ("Board") to provide transportation to eligible students enrolled in a Bibb County School District ("District") school in accordance with Georgia law and State Board of Education rules.

Bus transportation service offered for eligible students may be suspended temporarily or indefinitely under certain circumstances.

The Superintendent or his or her designee is authorized to develop a regulation that is consistent with the following:

1. Provide for maximum safety of students.
2. Supplement and reinforce desirable student behavior while a student is being transported on a District owned bus or vehicle.
3. Assist students with disabilities appropriately regarding their transportation needs.
4. Enrich the instructional program through carefully planned field trips as recommended by the staff by providing appropriate transportation.
5. Achieve appropriate economy in operation of the District's Transportation Department.
