RE: Tyler Student Transportation Software and Hardware

Dear Mr. Jackson:

Please accept this letter as confirmation that Tyler Technologies, Inc. is the sole provider, developer, and implementer of the Tyler Student Transportation (powered by Traversa) software suite, which includes the following Tyler Software as a Service (SaaS) modules currently in use by Bibb County School District:

- Tyler Student Transportation (powered by Traversa) Core
- My Ride K-12
- Advanced Activity Trips
- Electronic Rollout Sheet (ERS)
- Advanced AVL
- Tyler Drive

Additionally, Tyler is the only party authorized to support, and update or modify the software. Tyler is also the only provider of Tyler Drive configured tablet hardware and support for said hardware.

Certain Tyler Student Transportation software has been developed to specifically integrate with Geotab GPS hardware owned and in use by Bibb County School District, and Tyler is the only party authorized to provide support for that integration, as it relates to K-12 student transportation.

Please let me know if you have any questions.

Regards,

A handwritten signature in black ink, appearing to read "Theodore J. Thien".

Theodore J. Thien
Vice President and General Manager, Transportation
