RE: BID – FY25 School Year

Elaine M. Wilson, Procurement Director
4580 Cavalier Drive
Macon, GA. 31220

On behalf of Mason Produce INC. dba Bi-City Produce currently we do not wish to make any changes to our current BID. Our markup will remain the same and we will continue to base the cost of produce on the USDA Agricultural Marketing Service.

We look forward to continuing to provide BIBB COUNTY school district with our service.

Sincerely,

Michael Landrum
