Hi Kimberly, looking at the RFP under Section 13, see below, we are going ask for rate adjustment. We will get back with you shortly.

13.0 ESCALATION CLAUSE

All prices offered shall be firm against any increase for one (1) year from the effective date of the contract. 30 days prior to renewal, BCSD may entertain a request for escalation in accordance with the most recently published Producer Price Index at the time of the request. For purposes of this section, PPI Index PCU 562111562111, Solid Waste Collection and PCU33631-33631 Motor Vehicle Gasoline Engine and Parts Mfg. as published by the United States Department of Labor, Bureau of Labor Statistics will be the benchmark. BCSD reserves the right to accept or reject the request for a price increase. If the price increase is approved, the price will remain firm for 365 days from the date of the increase. This clause also enables BCSD to seek de-escalation on the basis of the same cited index and terms.
