Description of Services		Consideration	Evaluation and Metrics					
Instruction in French in the performing arts of Magic and Juggling to multiple grade levels.		Unduplicated students benefit from high-engagement activities that support their academic success. Classes that provide fun and novel activities in French help students to build vocabulary and confidence as well as expand manual dexterity and stage presence. Performing magic tricks in French gives them a sense of accomplishment that is important for struggling students. The students in the French Magic classes learn collaboration skills and respect for each others' accomplishments in a low-stress learning environment. Expanded Learning Opportunities Program is required to be offered to all unduplicated pupils TK-6. Prior Board Approval(s): June 25, 2025	Students will develop the fine motor skills required for juggling and sleight of hand. Acquisition of specialized French vocabulary and social vocabulary. Mastery of oral presentation and spectator management skills. Students build confidence as they master tricks and present them to an audience. Contract Type

Description of Services		Consideration	Evaluation and Metrics					
An educational outing where students visit locations outside the classroom to enhance their learning through real-world experiences.		NatureBridge provides a full day and evening curriculum that would not otherwise be accessed without spending the night. This is also the 6th grade camp experience that not only provides all students access to hands-on real life learning, it also provides critical team building, sense of community and individual growth for these students. Prior Board Approval(s): December 17, 2025	The evaluation for the NatureBridge program focuses on measuring student engagement, learning, team building, personal growth, access, and satisfaction. These metrics meet specific NGSS and CCSS standards. Additionally, it meets equity goals as it provides all students the opportunity to experience hands-on learning and personal development in the real world.

Description of Services		Consideration	Evaluation and Metrics				
Magnolia Global Academy for Leaders will provide teacher professional development and secure and coordinate industry mentorships to support successful implementation of the Career Exploration Program phases (Pre-Exploration Preparation, 3-day Mentorships, Post-Exploration Curriculum).		Career-connected learning, also known as work-based learning, provides opportunities to connect classroom learning with real-world experiences. This contract supports the expansion of a career exploration program connected to an Exploring College and Career middle school Career Technical Education (CTE) course. This course provides middle school students the opportunity to explore potential careers, establish educational and career goals aligned to interests, and strengthen alignment to the CTE programs offered in high school. In an effort to expand work-based learning activities at Ridgway High School, the Career Exploration Program will also be piloted there next school year.	Student completion of the program phases and a pre- and post-program survey will be administered to determine impact. Last year, 99% of students reported new or different career interests after participating in a Magnolia Project program, 89% of students felt more confident setting goals for their own learning after participating in Magnolia Project, and 92% of middle school participants would recommend their Magnolia Project experience to another student.

Description of Services		Consideration	Evaluation and Metrics				
LunchAssist will provide consultation and professional services related to the projects in support of the administrative review of the CNS program and other projects. Projects will include administrative support, evaluations of key performance indicators, and the design of community outreach efforts. The contractor will provide recommendations, training, and evaluation criteria for each of the agreed-upon priorities of the work to be completed.		The CNS department will complete a Administrative Review during the 2026/27 school year. Administrative Reviews are expansive in scope and depth. The CNS leadership team will need support to both meet the needs of the administrative review and continue the expansion of from scratch foods, local procurement, and increasing the participation in daily meals. The services provided in this contract will support the CNS leadership team with the administrative review and other projects related to the management of the CNS program.	N/A

Description of Services		Consideration	Evaluation and Metrics					
Amplify is the parent company of mClass, a digital literacy assessment system developed by Amplify, evaluates K-8 reading skills. The platform collects student performance data to help educators identify learning gaps and tailor instructional strategies.		In 2023, Senate Bill 114 was passed, requiring every California school district to select a K-2 universal reading screening test approved by a state expert panel by June 30, 2025. Districts are mandated to administer this test annually. The mClass assessment will help identify students at risk for reading difficulties, monitor progress, and ensure students are on track for reading success.	Grades 1-6 will be administering three times a year and kindergarten will be administering two times a year. Overall score will support tiered level of support.

Description of Services		Consideration	Evaluation and Metrics					
Amergis Staffing Agency provides behavior technicians, SLP aides, health aides and other support staff as needed for students that have an IEP when district staff is not available or not trained for certain roles.		Amergis staff will fill legally required positions and positions to fill the Special Education Reduction model staffing, while we continue to recruit for District classified staff. This estimated cost is about 2/3 of the final cost for Amergis last year. We do not anticipate the need for many more full time staff but the contract allows for us to ask for more. Prior Board Approval(s): April 9, 2025	Level of student support will fluctuate throughout the year based on IEP goals.
