

BIBB COUNTY SCHOOL DISTRICT
Dr. Dan A. Sims, Superintendent

INFORMATION MEMORANDUM

To: Board of Public Education
Dr. Dan Sims, Superintendent
From: Jamie Cassady, Assistant Superintendent for Student Affairs
Subject: Discipline and Attendance Update

To keep the board updated on attendance and discipline, attached you will find the latest report as of April 30, 2024. The report is made up of 40 slides with slides 6-14 looking at attendance and slides 15-40 looking at discipline. Below is an explanation of what each slide is showing:

Attendance

- Slide #5 is “what is most important now” for student services. Specifically, our PEC coordinators/Principals.
- Slide #6 shows our Average Daily Attendance for all schools by the days of the week.
- Slide #7 - Reasons why students were absent. Red is unexcused Abs; Green is excused and grey are Suspensions
- Slide #8 - Percent of students considered chronically absent. Those students who have missed 10% or more of days we have currently attended.
- Slide #9 - Trend data for the last five years for those students who have been chronically absent.
- Slides #10-13 show the number of students who have missed 10 or more unexcused days
- Slide #14 - In an effort to see those students who have multiple years of being chronically absent. Each dot represents a student with the vertical axis being the number of days missed this year and the horizontal axis represents the number of days missed last year.

Discipline

- Slide #15 shows 8 years of trend data including where we currently are with the total number of referrals.
- Slide #16 shows trend data for the total referrals by month over the last three years.
- Slides #17, 20, 23 and 32 show comparison of this year to last year in number of referrals. This is by grade and school.

BIBB COUNTY SCHOOL DISTRICT
Dr. Dan A. Sims, Superintendent

INFORMATION MEMORANDUM

- Slides #18, 21, 24 and 33 show breakdown of total incidents and # of students responsible for those incidents.
- Slides #19, 22, 25 and 34 show an expansion of the different incidents and number of students involved in each.
- Slides #26-31 show trend data for the last three years for the number of middle school students involved in fights per month.
- Slides #35-40 show trend data for the last three years for the number of high School students involved in fights per month. (Slide 40 is Westside High Schools FPM).
