

Dr. Dan A. Sims, Superintendent

ACTION MEMORANDUM

To: Bibb County Board of Public Education
From: Eric Bush, Chief Financial Officer
Jamie Cassady, Assistant Superintendent of Student Affairs
Subject: FY 2025 Atrium Health Navicent Agreement (School House Health)

Summary:

It is recommended that the Board of Education authorizes the Superintendent to continue the Atrium Health Navicent agreement for the FY 2025 school year.

Background:

In 1994, the School District, in partnership with The Medical Center of Central Georgia (now known as Atrium Health Navicent), began providing nursing services in the student health clinics in our schools. The District reimburses Atrium Health Navicent for their staff salaries, benefits, and leave accrual.

Our agreement with Atrium Health Navicent needs to be renewed to provide for continuation of nursing services through the end of the 2025 fiscal year. Attached is a copy of the proposed agreement which includes a listing of the nursing services provided by the clinics (Attachment A) and a copy of the Proposed Budget for the FY 2025 school year (Attachment B).

The FY 2025 contracted amount with Atrium Health Navicent is \$1,644,690. This amount is \$196,086 or 13.54% more than last year's contract. The additional cost includes a 9% salary increase, salary adjustments for staff who have reached service milestones and BSN differential for the RN staff.

Recommendation:

It is recommended that the Board of Education authorizes the Superintendent to continue the Atrium Health Navicent agreement for the FY 2025 school year at a cost of \$1,644,690, which will be funded through the General Fund.
