Policy BCBI – Public Participation in Board Meetings

- Speakers shall have a maximum of three (3) minutes each and must stop speaking promptly when their time is up.
- To allow time for the Board's other business, the public comment period will be a maximum of one (1) hour or 20 speakers. At the Board's discretion, the comment period may be extended for a specified amount of time or a specific number of additional speakers.
- To allow the Board to receive input from as many stakeholders as possible, individuals who speak during one millage rate hearing may only speak at the next millage rate hearing if there are spaces remaining after all non-repeating speakers have signed up.
- Speakers should be courteous and professional. Speakers may offer objective criticisms of school operations and programs, but the Board will not hear complaints about specific personnel or individuals connected with the District in a public session. Other channels provide a more appropriate forum for consideration and resolution of legitimate complaints involving individuals.
- Individuals will not be denied the opportunity to address the Board on the basis of their viewpoint. However, the Board will not allow abusive language, threats, comments, jeers, applause, or shouts from the floor. Disruptive persons will be asked to leave the meeting room. The presiding officer may terminate public comments that are profane, vulgar, defamatory, or disruptive.
