

CHRONOLOGY OF THE AGENDA ITEM

Funding from the GaDOE will be used to support the Leader in Me Program at twenty-two schools in the DCSD. This program is designed to empower students with leadership and life skills needed to thrive in the 21st century. It is based on the principles and practices of personal, interpersonal, and organizational effectiveness, and on the powerful premise that every child possesses unique strengths and can be a leader. Funding provided will help each school offset the upfront costs associated with the first three years of bringing this leadership framework to their schools.

This is the first year of a three-year program.
