

Out of County Tuition Formula

Out of County Tuition is calculated to determine the amount of local dollars required to educate a student in Oglethorpe County. The Georgia Department of Education Financial Data Collection System creates annual local, state, and federal funding revenue reports as well as expenditure reports for each system in Georgia.

Using numbers from the most recent annual report, Oglethorpe County Schools calculates out of county tuition based on the following formula:

Per FTE Total Expenditure
minus Half Per FTE Transportation expenditure
minus Per FTE State Revenue
minus Per FTE Federal Revenue

Local Expenditure per FTE

Calculation for 24-25 School Year
