Dear Ms. Shuman:

The Georgia Department of Education School Nutrition Program is pleased to announce that Bibb County Schools has been selected to receive a U.S. Department of Agriculture (USDA) Fresh Fruit and Vegetable Program (FFVP) Grant for School Year 2024-2025. The program offers a wonderful opportunity to provide a nutritious snack during the school day that expands student introduction and access to fresh fruits and vegetables.

The school district will be receiving two allocations of grant funds to support the program. An initial start-up allocation will cover the grant period from July 1, 2024, through September 30, 2024, and a second allocation will cover the grant period from October 1, 2024, through June 30, 2025. All allocations are based on the enrollment of the participating school, and the available allocations of funds are listed on the following page.

Each awarded school is expected to spend 100% of its allocations. Schools are expected to create and maintain a budget for each grant period for each participating school. They are also expected to monitor monthly grant utilization and successfully manage grant funds to remain in good standing.

Additional supplemental resources will be provided for support and assistance to implement the program within the school system throughout the school year. If you have any questions regarding the FFVP Grant, please contact Mari Toyohara, Grant Specialist, at 404.309.7751 or mtoyohara@doe.k12.ga.us.

Sincerely,

Dr. Linette Dodson, RD, LD, SNS, FAND
State Director, School Nutrition Division
