Board Officer Method of Election

At its regular January meeting each year, the Bibb County Board of Education ("Board") will organize and elect officers from among its own members. A President, Vice President, and Treasurer will be elected to serve for a period of one (1) year.

If a vacancy occurs with the above-mentioned officers during the year for which the officer has been elected, the Board will elect a replacement to serve for the remainder of the one-year term.

Election procedures are as follows:

1. The President will serve as presiding officer and will call for nominations from the floor for the offices of President, Vice-President and Treasurer. Nominations may be made by any Board member.
2. The vote for each office will be taken by a roll call vote.
3. If no candidate receives a majority of votes, there will be a runoff vote between the two (2) candidates who received the greatest number of votes.

In the event that officers are not elected in January, the existing officers will continue to serve until successors are elected. If there are no existing officers at the regular January meeting, the Board member with the highest tenure on the Board will serve as President, Vice-President (2nd highest tenure) and Treasurer (3rd highest tenure) until a successor is elected.
