

Dr. Dan A. Sims, Superintendent

ACTION MEMORANDUM

To: Bibb County Board of Education

From: Sam Kitchens, Assistant Superintendent of Operations

Subject: Safety & Security Improvements – Campus Police

Summary

As part of the 2021 ESPLOST, the Board approved district-wide safety and security improvements. Capital Programs presents this memorandum for safety & security improvements for Campus Police to include bodycams, tasers, training and licensing software.

Background

Safety and security needs have been identified for the Campus Police Department. As the district relies on Campus Police's ability to ensure safety throughout all facilities, this funding allows for immediate enhancement in the effectiveness and performance of the Campus Police Department and equips the department with the essential tools necessary to provide the highest level of safety and security.

Recommendation

It is recommended that the Bibb County Board of Education authorizes the issuance of a purchase order to Axon Enterprises, Inc., in an amount not to exceed \$342,740.60 for safety & security improvements for Campus Police to include bodycams, tasers, training and licensing software. This project will be funded with 2021 ESPLOST, utilizing Sourcewell contract #092722-AXN.
