Dr. Dan A. Sims, Superintendent

ACTION MEMORANDUM

TO: Bibb County Board of Education
FROM: Dr. Katika D. Lovett, Deputy Superintendent
SUBJECT: Approving the Infinity Academy as a New LEA Charter School in Bibb County Schools

INTRODUCTION & BACKGROUND

The Infinity Academy seeks approval to operate as a new Local Educational Agency (LEA) charter school within the Bibb County School District (BCSD). The proposal is grounded in innovative educational approaches, commitment to community engagement, and a strong alignment with district goals to foster student achievement and holistic development. This rationale outlines the key components of the petition and how they address the educational needs and strategic goals of BCSD.

STEAM-Lead Model

The Infinity Academy's STEAM-Lead model integrates Science, Technology, Engineering, Arts, and Mathematics (STEAM) with Servant Leadership principles to create a robust framework for student learning and leadership. This model emphasizes:

Foundational Principles: Rooted in evidence-based practices, the model encourages critical thinking, problem-solving, and creativity.

- Instructional Strategies: Cross-curricular planning, thematic units, and project-based learning ensure a comprehensive and engaging educational experience.
- Integration of STEAM and Servant Leadership: Students will apply STEAM knowledge to address real-world issues while incorporating servant leadership principles, fostering community engagement and ethical responsibility.
- Curriculum Compacting and Mastery
- Infinity Academy plans to implement curriculum compacting to accelerate learning for students who demonstrate mastery of content. This approach includes:
 - Assessment Methods: Utilizing tools such as MAPS, GMAS, and DRC Beacon to measure student progress and mastery.
 - Support Structures: Ensuring interventions and support for students who may struggle with compacted curriculum to meet grade-level standards.

Teacher Certification and Professional Development

To ensure high-quality instruction, the academy will assure the following:

- **Teacher Certification:** Seek waivers for certification requirements where necessary, while ensuring all teachers are well-trained in the STEAM model.
- **Professional Development:** Continuous professional development tailored to the instructional framework and innovative methods adopted by the academy.

Special Education and Support for Diverse Learners

The Infinity Academy is committed to providing inclusive education through:

- **Identification and Services for Students with Disabilities:** Comprehensive procedures for identifying and serving students with disabilities, including IEP development and adherence to IDEA requirements.
- **Support for English Language Learners (ELL) and Homeless Students:** Specialized personnel and resources to ensure equitable access to education for all students.

Community Engagement and Partnerships

A cornerstone of the Infinity Academy's mission is strong community engagement:

- **Stakeholder Involvement:** Active involvement of parents, community members, and local organizations in the school's planning and ongoing operations.
- **Partnerships:** Collaborations with businesses, nonprofits, and higher education institutions to enhance educational opportunities and community support.

Financial and Operational Sustainability

The academy has developed robust strategies to ensure financial sustainability and operational efficiency:

- **Financial Practices:** Sound financial practices, positive cash flow management, and maintaining full enrollment each year.
- **Staff Recruitment and Retention:** Competitive salaries, comprehensive benefits, and professional development opportunities to attract and retain qualified staff.

RECOMMENDATION

The Infinity Academy's petition reflects a commitment to educational excellence, innovation, and community partnership. By integrating STEAM and Servant Leadership, compacting curriculum for mastery, and providing robust support for diverse learners, the academy aligns with BCSD's goals of fostering student achievement, increasing staff effectiveness and strengthening stakeholder engagement. The approval of the Infinity Academy as a new LEA charter school will contribute meaningfully to the educational
