

CHRONOLOGY OF THE AGENDA ITEM

Scope: Request for Proposal (“RFP”) seeks licensed contractors for installation of insulated roll-up overhead coiling doors. Project includes complete removal and replacement of 24 existing roll-up overhead coiling doors at the Sam Moss Fleet Facility at 1780 Montreal Road, Tucker, Ga 30084.

Specific details related to the scope of work for this RFP can be found on the Dekalb County School District’s (“DCSD”) solicitation website at <http://dekalbschoolsga.org/solicitations/>.

Contract Term: The contract term begins upon Board approval and a fully executed contract to end on December 31, 2024.

Solicitation Process: RFP#24-581 was issued on February 15, 2024, and was advertised on IonWave, the Georgia Procurement Registry, and in the Champion Newspaper on February 15, 2024, February 29, 2024, and March 7, 2024. Electronic notifications were sent to ten (10) vendors from the DCSD Vendor Bid List, 550 vendors through the State of Georgia Procurement Registry, and 347 vendors through IonWave. Two (2) bids were received, and both were deemed responsive and evaluated by a selection committee. Based on the proposal submitted, King Overhead Door Systems was selected as the most responsive and responsible vendor to provide garage door replacement services.

Award Process: This request is to authorize DCSD to contract with **King Overhead Door Systems** for the removal and replacement of insulated roll-up overhead coiling doors at the Sam Moss Service Center.
