

# Grocery & Meal Delivery

## OVERVIEW

23 Million

Americans live in a food desert without transportation

Goodr's Grocery & Meal Delivery solution delivers groceries to those in need. We partner with government entities and organizations to bring fresh food directly to doorsteps in your community.

## HOW IT WORKS

### Thoughtful Choices

We personalize the groceries and meals we provide to be culturally sensitive to the community and are that we serve.

### High Quality Options

We source groceries locally to further support the community and provide high quality options.

### Seamless Logistics

Our team handles everything from procuring and distributing groceries to creating the routes and delivering items.
