LAMBDA EPSILON OMEGA

Dear DeKalb County Schools Nutrition Team,

As the new school year gets underway, we understand the importance of ensuring students have the necessary resources for a quality education, but we also empathize with the need for every child having what they need in other areas as well for an overall good experience overall. To ensure no child is excluded, on behalf of Lambda Epsilon Omega Chapter of DeKalb County, please accept this Pay Down Lunch Balance donation for the following schools:

- Chamblee Middle School \$724.10
- Sequoyah Middle School \$2202.63
- Tucker Middle School \$3267.37

Sincerely,

YaTonya Cody Oliver, President
