

First Read: Deletion of Board Policy: BBF Advisory Committees to be combined with Board Policy BBC: Board Committees

The DeKalb County Board of Education may from time to time enlist citizen groups to assist and counsel the Board. Such advisory committees shall be representative of the community in relation to the task assigned and shall serve in an advisory capacity only, making recommendations to the Board based on research and facts. The Board shall give careful consideration to all committee recommendations, but the Board alone will have authority to act upon such recommendations. For any such committee, the Board may approve committee bylaws setting forth the roles and responsibilities of the committee, procedures for member selection and length of service, and procedures for amending the committee bylaws.

The Board also supports the establishment of Superintendent's advisory committees. Adoption of and changes to Superintendent's advisory committee bylaws may be approved by the Superintendent or his or her designee.
