

ACTION MEMORANDUM

TO: Bibb County Board of Education, Dr. Dan A. Sims, Superintendent

FROM: Sam Kitchens, Assistant Superintendent of Operations
Dr. Cassandra Washington, Executive Director CTAE

SUBJECT: Butler Collision Center Site Name Change

Summary

As part of the ESSER Funding, the Board approved renovations to the former Butler Collision Center. This memorandum requests approval for changing the former Butler Collision Center site name to the W.S. Hutchings College and Career Innovation Center.

Background

As part of continued development for cutting edge CTAE pathways and programs, to include opportunities for public/private partnerships and workforce development, the Bibb County School District entered into a lease agreement with Macon Bibb Urban Development Authority for the Butler Collision Center.

Phase 1 of the renovation of the facility is complete and the Butler Collision Center will soon be moving to its new location and keeping the family name of the facility. Transforming the vacant building into an education space supports the school district's priorities around career readiness and workforce development. Students will gain real-world skills through the CTAE pathways to be offered at the adapted facility.

Recommendation

It is recommended the Bibb County Board of Education authorizes changing the former Butler Collision Center site name to the W.S. Hutchings College and Career Innovation Center.
