

**CHRONOLOGY OF THE AGENDA ITEM**  
**Granting of Easement-Walking Trail**  
**Margaret Harris Comprehensive Site**  
**1634 Knob Hill, Atlanta, Ga 30329**

**Scope:** Grant of Easement – Margaret Harris Comprehensive Site at 1634 Knob Hill for improvement and expansion of a walking trail.

**Purpose:** The DeKalb County Transportation Department in conjunction with the Path Foundation is requesting an easement on the Margaret Harris Comprehensive site. This easement will allow the County to improve and expand the walking trail which can offer numerous benefits to the school district and its residents. A walking trail would provide students, staff, and community members with a safe and convenient way to commute and engage in physical activity. The trail project can have positive impacts on student attendance and overall health.

The proposed trail is from Briarcliff Road to Knob Hill Road. It is the plan of the County to develop and maintain the trail with minimal expenses, providing long-term benefits without significant financial burden to the district or community.

**The easement consists of a permanent construction easement (2,198 square feet) and a temporary construction easement (2,360 square feet) that will expire upon completion and acceptance of the project.**
