

**BIBB COUNTY SCHOOL SYSTEM
SOLE SOURCE**

SOLE SOURCE JUSTIFICATION: A purchasing situation in which a procurement is only available from one source.

Request Number: Sole Source -

Date:

1. Proposed Source: (Company Information)

Southern Educational Systems

2. Scope of Work: (Description of materials/service to be provided.)

Southern Educational Systems is to provide technical training products we have chosen to equip our new electric vehicle program.

3. Exclusive Capability: (Description of Proposed Source's unique capabilities and / or personnel to perform this work; and why this is the only source available)

The two manufacturers' products are unique in their capabilities for teaching electric vehicle technology in a controlled environment, before students move to live work.

Curriculum is provided for the training systems that we have chosen. The training systems also give students capabilities from foundational level skills to the ability for students to troubleshoot.

4. Reasoning - (Description of Why The Request for Sole Source Is Needed)

Southern Educational Systems is the exclusive provider for these training products for the state of Georgia and Bibb County. The unique configurations and the provided curriculum will give our students a competitive advantage over other students in a ever changing, high tech automotive industry.
