

MEGATECH®

A World of Automotive & Technical Education

September 26, 2024

Dr. Cassandra Washington
Bibb County School District

This letter is to confirm that MEGATECH CORPORATION in Tewksbury, Massachusetts is the sole source manufacturer of the full line of Megatech training aids and products as shown on the <http://www.megatechcorp.com> web site and catalog. In certain states and countries these products are sold through an exclusive dealer network.

Southern Educational Systems (380 Wingo Heights, Suite 3C, Spartanburg, SC 29303) is the exclusive reseller of Megatech products in the state of Georgia. Richard Boyer is the point of contact and can be reached at 800-772-7379.

All of Megatech's products are designed to give the student a more "real life" experience to better prepare them for industry by using actual components.

Sincerely,

Dan Hettler
Marketing Coordinator
