Scope:

Grant of Easement – Granting of Easement-Improvement of Distribution Lines at Stone Mountain Elementary School Site - 6720 James B. Rivers Memorial Drive for installation, upgrades, maintenance, and repair to electric facilities to improve electric service reliability to the Stone Mountain Elementary School Site and other DeKalb Residences.

Purpose:

The Georgia Power Company is requesting an easement at Stone Mountain Elementary School Site off 6720 James B. Rivers Memorial Drive. The purpose of this project is to upgrade electric distribution lines, poles, and equipment to improve electric service reliability to the DeKalb County School District site and surrounding neighbors. Overhead lines in the area may be more prone to outages caused by trees contacting lines or vehicular collisions. Removing any trees and other obstructions to the lines and equipment will aid in providing the area with quality service.

The area of the requested easement is defined as any portion of the Site located within fifteen (15) feet of the centerline of the overhead distribution line (s) as shown on "Exhibit A". It is requested that the Board of Education approve the easement to Georgia Power Company to improve electric service reliability at the Stone Mountain Elementary site and surrounding area.
