To Whom it May Concern,

The Lakeside High School Cross Country Booster Club is donating \$16,800 towards re-establishing the cross country trails on the Lakeside High School campus. We are fortunate to have this amazing group who have raised funds to clear the existing trails and provide a safe course for not only our runners, but our school community to use for years to come.

We are looking forward to having the trails completed over the next year and enjoying the benefits it will provide for everyone. Please feel free to reach out to me if you have any further questions about this project.

Sincerely,

Susan M. Stoddard, PhD

Principal
