Dear Mr. Hofstetter,

I am thrilled to write to you regarding the donation opportunity for DeKalb County School District on behalf of Rheaply. Our client's 246 items are located in their Marietta, GA warehouse and include task chairs, monitor arms, storage, and more. The total value of the items is \$281,302.62. Below, on the second page, is a chart detailing the items, values, and quantities. The intention of this donation is twofold: to support the operations of DCSD as well as to prevent valuable materials from heading to the landfill by securing their next best use.

We aim to support DCSD's efforts in creating functional learning and administrative environments for your students, educators, and staff. Additionally, this collaboration is a reflection of Rheaply's commitment to making a positive environmental impact by facilitating resource-sharing initiatives.

Thank you for the opportunity to work together (again!) in support of the DeKalb County School District and Rheaply missions. We look forward to completing this donation as well as potential donations in the future. Please do not hesitate to reach out if you require further information or additional support regarding this contribution.

Warmly,

Elise O'Malley
