SOLE SOURCE LETTER

To Whom It May Concern:

This letter serves to notify you that *The Critical Thinking Co.*™ is the sole source provider for many of the items in our catalog, is the sole source provider for all digital e-books, and is the sole source publisher of the English versions in the US and worldwide. We own the copyrights and registered trademarks with the US Patent and Trademark Office on all items. All items are manufactured by us or exclusively for us, making us the sole producer of those items.

For all items we carry, our price is competitive with that of any other distributor. Please compare our published prices, as shown in our current catalog or website. We **are** the sole supplier worldwide for the combination of all the items we offer available on a single purchase order. If your district policies require your purchase to be put out for competitive bid, we invite you to accept our catalog prices and advertised discounts as our bid price. If you are contemplating ordering a large quantity of any item, please contact us to see if we can do even better.

For tax withholding purposes, we are an Oregon corporation with our Federal Tax Number (FTN) 38-1780126 appearing on all our order forms at the bottom of the form.

Please feel free to contact me directly with any further questions and/or concerns regarding this matter and I will be happy to assist you.

Sincerely,

Michael O. Baker
President
