CHRONOLOGY OF THE AGENDA ITEM

In October 2024, Kittredge Magnet School for High Achievers Parent Teacher Organization (PTO) notified the Operations Division that they have funds to install artificial turf as a base to the existing Gaga Ball Pit at the playground of the campus. Operations subsequently notified the school of what information was needed for the review and acceptance of the donation. The Kittredge Magnet School for High Achievers Parent Teacher Organization submitted the necessary information for review and submission for Board of Education approval.

To Whom it May Concern,

The Kittredge Magnet School Foundation has donated \$10,624 for two benches on the playground and for artificial turf to be installed inside the Gaga Ball Pit on our playground. We are fortunate to have this generous group of parents who have raised funds for this purpose to enhance the school for our students and teachers.

We are looking forward to having this equipment installed and enjoying the results soon. Please feel free to reach out to me if you have any further questions about this project.

Sincerely,

A handwritten signature in cursive script that reads "Laura S. Neely".
