**IV.
PROTEST PROCEDURES FOR OPERATIONS DIVISION CONTRACT AWARDS**

Protest Process. This section describes the mandatory administrative procedure whereby Offerors submitting sealed competitive bids/proposals (hereinafter referred to as "bidders") to DCSD directly related to design and construction, for proposals worth \$100,000 or more may challenge the solicitation process, and whereby bidders/Offerors on sealed competitive bids directly related to Facilities Management for proposals worth \$100,000 or more, may challenge contract awards.

1. **Protests.** A bidder may file a written protest challenging DCSD's compliance with applicable procurement procedures subject to the bidder's compliance with the provisions outlined below. Any such written protest will be resolved in accordance with these provisions.
2. **Types of Challenges.** Any bidder interested in and capable of responding to a competitive solicitation may file a protest with respect to the competitive solicitation process including, but not limited to, a challenge to specifications or any events or facts arising during the solicitation process. Any bidder submitting a timely bid/proposal in response to a competitive solicitation may file a protest with respect to DCSD's intended or actual contract award including, but not limited to, events or facts arising during the evaluation and/or negotiation process.
3. **Form of protest.** At a minimum, the written protest must include the following:
 - a. the name and address of the protestor;
 - b. appropriate identification of the solicitation;
 - c. a statement of reasons for the protest;
 - d. supporting exhibits, evidence, or documents to substantiate any claims unless not available within the filing time (in which case the Offeror must proceed to file the protest during the filing period identified below but state the expected availability of the material); and
 - e. the desired remedy.

DCSD, at its discretion, may deem issues not raised in the initial protest as waived with prejudice by the protesting Offeror.

4. **Filing Protests.** A protest is considered to be properly filed when it is in writing, signed by a company officer authorized to sign contracts on behalf of the Offeror, and is received by the Design and Construction Department. The protest may be sent by any of the following means:

**MAIL: Attention: Mr. Noel Maloof
 Deputy Chief Operations Officer
 DeKalb County School District
 Sam A. Moss Service Center
 1780 Montreal Road
 Tucker, Georgia 30084**

FAX: (678) 676-1475

The Offeror must observe the following deadlines when filing a protest:

Type of Protest	Protest Filing Deadline
Challenge to Competitive Solicitation Process	Two (2) business days prior to the closing date and time of the solicitation as identified on the Invitation to Bid.
Challenge to an Intended or Actual Contract Award	In the event DCSD posts a Notice of Intent to Award ("NOIA"), the protest must be filed within ten (10) calendar days of the date the NOIA is posted.
	In the event DCSD does not post a NOIA, the protest must be filed within ten (10) calendar days of the date the Notice of Award ("NOA") is posted.

If a bidder fails to file a protest by the applicable deadline, such failure shall be deemed as a waiver with prejudice of any grounds the bidder may have for protest.

5. **Stay of procurement during protest review.** When a protest challenging the competitive solicitation process has been timely filed at least two (2) business days prior to the closing date and time, the solicitation shall not close until a final decision resolving the protest has been issued, unless the facilities management department makes a written determination that the closing of the solicitation without delay is necessary to protect the interests of DCSD.

When a protest challenging an intended contract award has been timely filed, DCSD shall not proceed to actual contract award unless the Design and Construction Department makes a written determination that the issuance of a contract or performance of the contract without delay is necessary to protect the interests of DCSD. If it is determined that it is necessary to proceed with contract performance without delay, the bidder/Offeror with this contingent contract may proceed with performance and receive payment for work performed in strict accordance with the terms of the contract. The provisions of this paragraph are not applicable to a protest pertaining to events or facts arising during the solicitation process.

6. **Protest Resolution.** The Facilities Management Department shall review and issue a written decision on the protest within seven (7) business days. This decision shall be deemed final. Available remedies for sustained protests are as follows:
 - If a protest is sustained prior to the closing date and time of the solicitation, available remedies may include, but are not limited to, the following: modification of the solicitation document including, but not limited to, specifications and terms and conditions; extension of the solicitation closing date and time (as appropriate); and cancellation of the solicitation.
 - If a protest of the intended/actual contract award is sustained, available remedies may include but are not limited to, the following: revision or cancellation of the NOIA/NOA, re-evaluation and re-award, or re-solicitation with appropriate changes to the new solicitation.
7. **Costs.** In no event shall a bidder be entitled to recover any costs incurred in connection with the solicitation or protest process, including, but not limited to, the costs of preparing a bid/proposal, the costs of participating in the protest process, or any attorney fees.

- D. All work shall be scheduled at the convenience of the District as not to interfere with instruction time.
- E. Man hours under this contract shall be only for productive hours at the job site. Time spent for transportation of workers, material acquisition, handling and delivery, or for movement of Contractor owned or rental equipment is not chargeable directly but is overhead and the cost shall be included in the hourly rate bid for basic labor. The hourly rate charged for any work performed after regular operation hours of 7:00 am to 3:00 pm Monday through Friday, on

If such matter relates to or is the subject of a lien arising out of the Service Contractor's services, the Service Contractor may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter by mediation. The Owner and Service Contractor shall endeavor to resolve claims, disputes and other matters in question between them by mediation which, unless the parties mutually agree otherwise, shall be in accordance with the Construction Industry Mediation Rules of the American Arbitration Association currently in effect. Request for mediation shall be filed in writing with the other party to this Contract and with the American Arbitration Association. The request may be made concurrently with the filing of a civil action but, in such event, mediation shall proceed in advance of legal or equitable proceedings, which may be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or a court order. The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in the place where the Program is located, unless another location is mutually agreed upon. Subject to the express approval of the DeKalb County Board of Education, agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

ADDITIONAL INSURED - OWNERS, LESSEES OR CONTRACTORS - COMPLETED OPERATIONS - AUTOMATIC STATUS WHEN REQUIRED IN CONSTRUCTION AGREEMENT WITH YOU

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

- A. **Section II - Who Is An Insured** is amended to include as an additional insured any person or organization for whom you are required by a written contract or agreement, executed by both parties prior to the date of loss, to add as an additional insured on your policy. Such person or organization is an additional insured only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" performed for the additional insured and included in the "products-completed operations hazard". But such person or organization is not an additional insured under this policy for any works, claims, losses, damages, acts or omissions of any kind that are unrelated to "your work" for such entity.
- B. With respect to the insurance afforded to these additional insureds, the following additional limitations and exclusions apply:
1. This insurance does not apply to any "bodily injury" or "property damage" resulting from any act or omission by, or willful misconduct of the additional insured, whether the sole or a contributing cause of the loss. Coverage afforded to the additional insured is limited solely to the additional insured's "vicarious liability" that is a specific and direct result of your conduct.

"Vicarious liability" is defined in this endorsement as liability that is imposed on the additional insured solely by virtue of its relationship with you, and not due to any act or omission of the additional insured.

2. The insurance afforded to such additional insured only applies to the extent permitted by law; and
 3. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.
- C. With respect to the insurance afforded to these additional insureds, the following is added to Section III - Limits Of Insurance:

If coverage provided to the additional insured is required by contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
 2. Available under the applicable Limits of Insurance Shown in the Declarations;
- whichever is less.
- D. If you have agreed in a written contract or agreement that this policy will be primary, and without right of contribution from any insurance issued to that additional insured, and the contract or agreement was executed prior to the "bodily injury" or "property

The primary and noncontributory provision applies only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" performed for the additional insured and included in the "products-completed operations hazard".

any claim or "suit" and, upon notification of the action taken; you shall promptly reimburse us for such part of the deductible amount as has been paid by us.

E. Excess Insurance

This insurance is excess over any other collectible insurance available to the insured.

F. Additional Definition

The following is added to **Section V - Definitions**:

"Loss" means any unintentional "property damage" but does not include disappearance, abstraction or theft.

We will not pay for any "loss" under **XIV. Limited Care, Custody Or Control Liability Coverage** unless you are legally liable. If we provide coverage for the same "loss" under **XIV. Limited Care, Custody Or Control Liability Coverage** and **XV. Voluntary Property Damage Coverage**, the most we will pay for the "loss" under the two coverages combined is \$30,000.

XVI. Aggregate Limit Per Location

For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **Section I - Coverage A - Bodily Injury And Property Damage Liability**, and for all medical expenses caused by accidents under **Section I - Coverage C - Medical Payments**, which can be attributed only to operations at a single designated "location" shown in the Declarations:

1. A separate Location General Aggregate Limit applies to each "location", and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

2. The Location General Aggregate Limit is the most we will pay for the sum of all damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under Coverage C regardless of the number of:

- a. Insureds;
- b. Claims made or "suits" brought; or
- c. Persons or organizations making claims or bringing "suits".

3. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the Location General Aggregate Limit for that "location". Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Location General Aggregate Limit for any other "location" shown in the Declarations.
4. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Location General Aggregate Limit.

XVII. Aggregate Limit Per Project

For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **Section I - Coverage A - Bodily Injury And Property Damage Liability**, and for all medical expenses caused by accidents under **Section I - Coverage C - Medical Payments**, which can be attributed only to ongoing operations at a single construction project:

Such payments shall not reduce any other Construction Project General Aggregate Limit for any other construction project.

XVIII. Supplementary Payments Increased Limits

Under **Supplementary Payments - Coverage A. and B. of Section I:**

- A. Paragraph 1.b. is replaced with the following:
 - b. Up to \$2,500 for cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. We do not have to furnish these bonds.

- B. Paragraph 1.d. is replaced with the following:
 - d. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to \$500 a day because of time off work.

XIX. Broad Form Named Insured

Section II - Who Is An Insured is amended to include as a Named Insured any organization or subsidiary thereof which is a legally incorporated entity of which you own a financial interest of more than 50 percent of the voting stock on the effective date of this endorsement.

This provision XIX. does not apply to "bodily injury", "property damage" or "personal and advertising injury" with respect to which a Named Insured under this policy is also a Named Insured under another policy or would be a Named Insured under such policy but for its termination or upon exhaustion of its limits of insurance.

XX. Additional Insureds Required By Contract

A. **Section II - Who Is An Insured** is amended to include as an additional insured any person or organization for whom you are performing operations when you and such person or organization have agreed in writing in a contract or agreement or that such person or organization be added as an additional insured on your policy. 2. "Bodily injury" or "property damage" occurring after:
 - a. All work, including materials, parts or equipment furnished in connection with such work, on the project (other

Such person(s) or organization(s) is an additional insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your maintenance, operation or use of equipment leased to you by such person(s) or organization(s).

A person's or organization's status as an additional insured under this provision XXI ends when their contract or agreement with you for such leased equipment ends.

2. You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

XXX. Waiver Of Transfer Of Rights Of Recovery Against Others To Us When Required Within A Written Agreement With You - Blanket

Section IV - Commercial General Liability Conditions, 8. Transfer Of Rights Of Recovery Against Other To Us is amended by the addition of the following:

We waive any right of recovery we may have because of payments we make for injury or damage arising out of:

1. Your ongoing operations or "your work" done under a written contract with that person or organization and included in the "products-completed operations hazard"; or
2. The ownership, maintenance or use of that part of the premises leased to you.

The waiver applies only to a person or organization with whom you have a written contract or agreement in which you are required to waive the rights of recovery under this policy, but only to the extent that subrogation is waived prior to any injury or damage under a contract with that person or organization. The insured must do nothing after a loss to impair our rights. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce those rights.

However, you must report such error or omission to us as soon as practicable after its discovery. This provision does not affect our right to collect additional premium as a result of any unintentional error or omission. In addition, this provision does not affect our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

XXXIII. Liberalization Clause

If we revise this Contractors' Optimum Endorsement to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.
