To Whom it May Concern,

The Lakeside Foundation is donating \$48,000 to re-establish the existing garden space in front of the gymnasium as a Legacy Garden at Lakeside High School. We are fortunate to have the Foundation and alumni working to raise funds to provide a space to honor past and present Lakeside High School alumni.

The project is estimated to be completed over the next 5 months and will allow our students, staff, community, and alumni the ability to honor those who have passed through our halls. Please feel free to reach out to me if you have any further questions about this project.

Sincerely,

Susan M. Stoddard, PhD
