

## **RESOLUTION 2027.13**

### **RECOGNIZING AND HONORING OUR MUSD SCHOOL ADMINISTRATORS**

**WHEREAS**, school administrators are dedicated, visionary educational leaders who firmly believe in the transformative power of a high-quality, enriched, and innovative public education for our 12,000-plus Milpitas Unified School District learners from preschool through adult education and their families; and

**WHEREAS**, the title “school administrator” is a broad term used to define many education leadership posts, such as principal, assistant principal, special education and adult education leader, school business official, classified educational leader, director, supervisor, coordinator, assistant superintendent, and other school district employees; and

**WHEREAS**, providing extraordinary service for student academic and personal success is paramount, exemplary in our MUSD administrators who consistently raise the standard of excellence as pioneers shaping the future of California’s public education system with unwavering leadership; and

**WHEREAS**, most school administrators began their careers as teachers, with the average administrator having served in public education for more than a decade, and most of California’s district support leaders having served in education for more than 20 years, and with such experience being beneficial in their work to effectively and efficiently lead public education and improve student achievement for generations of MUSD students and families; and

**WHEREAS**, school leaders depend on a network of support from school communities—fellow administrators, teachers, classified staff, parents, students, businesses, community members, board members, colleges and universities, community and faith-based organizations, elected officials and district and county staff and resources—to promote ongoing student achievement and school success; and

**WHEREAS**, research shows that great schools are headed by great principals, and great districts are led by great district teams; and these site leaders are supported by extensive administrative networks within MUSD, Santa Clara County, and throughout the state; and

**WHEREAS**, the second full week of October is the Week of the School Administrator; and the month of October is designated as Principal Appreciation Month; and

**WHEREAS**, the future of Milpitas Unified School District and California’s public education system depends upon the quality of its leadership;

**NOW THEREFORE BE IT RESOLVED** that the governing board of the Milpitas Unified School District join the Milpitas community, other communities and school districts in our nation in celebrating, honoring, respecting and inspiring our School Administrators throughout the Month of October and the entirety of each and every school year.
