

Board Policy AFC: Emergency Closings

Status: ADOPTED

Original Adopted Date: 12/04/2014 | Last Revised Date: 08/20/2020 | Last Reviewed Date: 08/20/2020

The Superintendent or designee is authorized to take action to close one or more of the District's schools or buildings, if conditions exist that may threaten the health and safety of students or personnel.

The Superintendent or designee is authorized to delay the opening hour of the school day and/or release students and personnel before the normal day ends, if hazardous conditions exist.

The Superintendent is further authorized to develop a regulation regarding this policy.
