Re: Valencia Coniah Bates Special Needs Trust

Dear Dr. Broyard-Baptiste:

The Family established a trust fund for Valencia Bates. Valencia was born with Downs Syndrome and lived life to the fullest until her passing in January 2024. Part of that full life was her attendance and graduation from Tucker High School. Upon her passing the funds were to be dedicated to programs that helped to assist programs that catered to special needs programs to help them achieve a full life.

Please accept this donation of \$6,130.45 to supplement the needs of your programs for those with special needs.

Very truly yours,
Valencia Special Needs Trust
