

Dr. Dan A. Sims, Superintendent

ACTION MEMORANDUM

To: Bibb County Board of Education, Dr. Dan A. Sims, Superintendent

From: Dr. Ethel Lett, Assistant Superintendent of Teaching and Learning

Subject: Mathematics Instructional Resources Adoption Approval

Summary

Mathematics instructional resources are adopted by the District every six years. The current Mathematics instructional resource adoption expires at the conclusion of the 2024-2025 school term. This memorandum is requesting funds to provide new textbooks and instructional resources including digital resources for all District schools beginning with the 2025-2026 school term.

Background

During the 2016 legislative session, laws related to textbook adoption were revised to allow the Georgia Department of Education (GaDOE) to leave adoption decisions up to local school districts. The Bibb County School District has continued to follow the suggested guidelines from the state outlined in Georgia Education Rules 160-4-4.10.

At the beginning of this process, representatives from each elementary, middle, and high school were selected to serve on an Instructional Resource Committee. The Elementary and Secondary Coordinators of Mathematics requested sample materials and presentations from mathematics resource vendors. The committees narrowed the choices to several possible selections per grade band. Next, teachers, administrators, parents, and community stakeholders had the opportunity to review the instructional resources and complete electronic feedback forms to determine which instructional resources would best meet the academic needs of our students. This feedback was used to select the most appropriate instructional resources for the adoption.

The following instructional resources are recommended by the Teaching and Learning Department for adoption:

Dr. Dan A. Sims, Superintendent

ACTION MEMORANDUM

Grades	Textbooks	Publisher	Cost
K-8	HMH Georgia Into Math: includes consumable textbooks for each student, replenished yearly, and online resources for 6 years. Includes teacher bundles and professional learning.	HMH	\$4,739,556.43
9-12	Cengage Learning: Textbooks for High School Math Courses. Textbooks, digital access package, teacher resources, and professional learning are included.	Cengage	\$756,970.73
9-12	Practice of Statistics for the AP Course. Comes with digital and teacher resources.	Bedford, Freeman, and Worth	\$7,844.93
9-12	Delta Math Solutions: Online targeted math instruction platform	Delta Math	\$11,339.00

Recommendation

It is recommended that the Bibb County Board of Education authorizes the Superintendent to approve the Mathematics Instructional Resource adoption and purchase Mathematics textbooks and instructional materials in an amount not to exceed \$5,515,711.09. The funds will be paid out of FY2025 general funds.
