ACTION MEMORANDUM

To: Bibb County Board of Education, Dr. Dan A. Sims, Superintendent
From: Kevin Adams, Chief Information Officer
Joshua Money Penny, Director of Technology
Subject: Lightspeed Renewal – FY26

Summary

The Technology Services Division is seeking Board approval to issue a purchase order to CDW for renewal of our Lightspeed products. The purchase will be made using FY26 General Funds.

Background

The Children's Internet Protection Act (CIPA) requires school districts to filter content to provide protection for our students. We have utilized Lightspeed Filter as our content filter for many years. For FY25, we transitioned our alert system over to Lightspeed Alert. Lightspeed Alert informs the District of concerning online behavior of students. Lightspeed Classroom allows teachers to observe student online behavior while in class and limit access as needed for instructional purposes. Finally, Lightspeed Insight provides the District with data on what digital resources are being utilized by all stakeholders to ensure alignment with procured tools. The agreement allows for four (4) renewals. The quoted pricing is procured using Sourcewell contract #121923.

Recommendation

It is recommended that the Bibb County Board of Education authorizes the purchase order to CDW for Lightspeed products in an amount not to exceed \$189,530.00. The funding source is FY26 General Funds.
