TO: Bibb County Board of Education, Dr. Dan A. Sims, Superintendent
FROM: Kevin Adams, Chief Information Officer, Sherry Culves, Parker Poe
SUBJECT: Multi-Year Lease Purchase Agreement with Lenovo Financial Services

Summary

The Bibb County School District (the “District”) seeks approval from the Board of Education (“Board”) to adopt a Resolution authorizing the District to enter into a Master State & Local Government Lease agreement with Lenovo Financial Services (the “Lease”) for the multi-year lease purchase of certain Lenovo Chromebook laptops, devices, accessories and related services to be purchased from Lenovo (United States) Inc. or its authorized reseller for a total maximum principal amount of \$10,714,000 plus interest for a total lease purchase amount not to exceed \$11,676,974.32 with said Lease to be effective no later than May 1, 2025.

Background

The Office of Technology Services requests to lease-purchase Lenovo Chromebooks for students through Lenovo Financial Services utilizing the Lenovo Georgia Statewide contract number 99999-SPD-SPD0000161-0008. This lease-purchase will provide 22,000 one-to-one (1:1) devices to serve all 2nd – 12th grade students. Providing 1:1 student Chromebook devices is vital to the school district because it ensures equitable access to digital learning resources, enhances personalized learning opportunities, and allows students to engage in interactive, collaborative, and individualized learning experiences both in and outside the classroom, helping to prepare them for future academic and career success.

The lease payment schedule follows:

FISCAL YEAR	AMOUNT
FY25	\$2,919,243.58
FY26	\$2,919,243.58
FY27	\$2,919,243.58
FY28	\$2,919,243.58

Recommendation

It is recommended that the Bibb County Board of Education adopts the attached Resolution authorizing the District to enter into the Lease.
