PUC Career & Internship Fair

Pacific Union College, Angwin CA

February 26th, 2026

11:00am to 1:00pm

Pacific Union College's Career and Counseling Department is happy to be hosting our annual Career and Internship School Fair again this Winter on February 26th, 2026, 11:00am to 1:00pm.

We invite you to join us again this year to recruit our talented students for your programs and to share about the many opportunities available to students as they plan for their futures. There is no cost to attend. And we provide you with a FREE lunch and free parking.

PUC is a private four-year college located in the beautiful Napa Valley. We have majors in areas such as Aviation, Visual Arts, Computer Science, Business, Communication, Biology, Psychology, Social Work, Nursing and many more. Many of our students choose to continue directly into the field of their chosen career path, and we're working hard to increase students' awareness of options for their future and highlight some of the excellent career and internship opportunities around the area.
