Dr. Dan A. Sims, Superintendent

INFORMATION MEMORANDUM

To: Bibb County Board of Education, Dr. Dan A. Sims, Superintendent

From: Jamie Cassidy, Assistant Superintendent of Student Affairs, Stephanie Hartley, Chief Communications Officer, and Sherry H. Culves, Parker Poe Adams & Bernstein LLP

Subject: Policy KBF- Use of Students for Public Information Programs **(First Reading)**

Summary

The District is presenting Policy KBF- Use of Students for Public Information Programs for First Reading.

Background

In reviewing Policy KBF, District and legal agree that the current substance of KBF did not align with the title, Use of Students for Public Information Programs. The subject of Policy KBF is more accurately addressed in Policy KI- Free Materials Distribution in Schools.

Accordingly, it is recommended that Policy KBF be revised to address when students are asked to serve at a community/public event, and Policy KI be revised and Regulation KI be added to address requests from external agencies seeking to distribute materials to students and families. *See Information Memorandum - KI*, explaining proposed revisions to distribution of materials.

Next Step

The District will post revised Policy KBF- Use of Students for Public Information Programs, on Simbli to receive input from the Board members and stakeholders for 30 days. The policy will be brought to the next board meeting for second reading and final Board adoption and approval.
