To: Bibb County Board of Education, Dr. Dan A. Sims, Superintendent

From: Jamie Cassidy, Assistant Superintendent of Student Affairs, Stephanie Hartley, Chief Communications Officer, and Sherry H. Culves, Parker Poe Adams & Bernstein LLP

Subject: Policy KI - Free Materials Distribution in Schools **(First Reading)**

Summary

The District is presenting Policy KI - Free Materials Distribution in Schools for First Reading.

Background

As noted in the Information Memorandum addressing Policy KBF, District and legal agree that the current substance of KBF did not align with the title, Use of Students for Public Information Programs. The subject of Policy KBF is more accurately addressed in Policy KI- Free Materials Distribution in Schools.

Policy KI has been revised to incorporate the existing language in Policy KBF, explaining that all requests to distribute materials will be referred to the Assistant Superintendent of Student Affairs or designee to determine whether consistent with District purpose, policies and regulations.

Regulation KI revises Regulation KBF and sets out parameters for distributing materials to students, creating a limited forum for distribution based on criteria set out in the regulation. Regulation KI further sets out the process for an external agency to request distribution of materials.

Next Step

The District will post revised Policy KI- Free Materials Distribution in Schools for First Reading, on Simbli to receive input from the Board members and stakeholders for 30 days. The policy will be brought to the next board meeting for second reading and final Board adoption and approval.
