To Whom it May Concern,

The KMS Foundation has donated \$82,539 for sun shades to cover our two playgrounds. We are fortunate to have this generous group of parents who have raised funds for this purpose to enhance our outdoor areas for our students and teachers.

We are looking forward to having this equipment installed and enjoying the results soon. Please reach out to me if you have questions about this project.

With Cougar Pride,

Dr. Laura S. Neely, Principal  
Kittredge Magnet School for High Achievers
