

**SeSo, Inc.**

*Creating language and cultural bridges one training at a time*

## WHO WE ARE

For over a decade, SeSo, Inc. and its team of experienced multilingual and multicultural facilitators have supported the efforts of school districts to build and strengthen bridges with linguistically diverse families and communities.

As a social enterprise, SeSo, Inc. exists to invest in the career advancement of bilingual and multilingual professionals, offer quality skill-building trainings for translators and interpreters in education, and support language access in early childhood and K-12 settings.

Some of our satisfied customers:

## WHAT WE DO

- **Foundational Training and Skill-Building Workshops for Translators and Spoken Language Interpreters in Education**
  - Taught in collaboration with the University of Georgia and the National Association of Educational Translators and Interpreters of Spoken Languages (NAETISL).
- **Quality Translation and Interpretation Services**
  - Offering a full range of professional interpretation and translation services connecting organizations with professionals specifically trained to support multilingual families and educators in early childhood and K-12 settings.
  - All of our professionals are members of the National Association of Educational Translators and Interpreters of Spoken Languages to support their ongoing professional development.
- **Cultural Humility and Multicultural/Multilingual Family Engagement Workshops for Educators and School Leaders**
  - Workshops designed to give educators, parent instructional coordinators, parent liaisons, school counselors and school administrators, an overview of evidence-based tools to collaborate effectively with multilingual families and foster family engagement through interactive small group activities.

\*Timelines for the delivery of translations depend on several factors including the number of words, the language level, the file format, and the area of specialization. One translator can translate an average of 2,000 words per day. Regardless of the size of the project, we always perform a quality check with a main translator and a proofreader/editor to ensure that the language is consistent and the format mirrors the original English document.
