Summary

The Bibb County School District is seeking Board approval to award RFP 25-029 for Legal Services to fiscal year 2025-2026. This contract provides the District with General Counsel, that will include comprehensive legal support across governance, compliance, personnel, policy, student services, and litigation matters.

Background

As part of our strategic commitment to legal compliance, risk mitigation, and sound governance, the Bibb County School District issued RFP 25-029 to procure high-quality legal representation. The prior legal services provider, Jones Cork LLP, notified the district of their intent to conclude services as of January 31, 2025. An interim appointment of Parker Poe Adams & Bernstein LLP was made effective February 1, 2025, to ensure continuity.

The Procurement Department released RFP 25-029 for legal services on 04/14/2025; the pre-bid meeting was held on 04/28/2025. We had three firms to respond to the RFP. This RFP will cover the legal representation beginning July 1st, 2025 – June 30th, 2026. This is a one year with the option of three renewals contract, if approved.

The RFP formal evaluation of submitted proposals was conducted based on:

- Demonstrated experience in K-12 education law
- Availability and responsiveness of proposed legal team
- Alignment with District priorities and operational needs
- Fee structure and cost-effectiveness
